

TRAINING & DEVELOPMENT COMMITTEE'S FOOTBALL DEVELOPMENT PROGRAM REPORT

School Year 2007 – 2008

Sta. Clara Weekend Football Clinic

- **Sixty (60)** enrollees but only an average of 20 are regular attendees.
- **Concerns:** attendance and collection of fees
Deterioration and maintenance of field due to flooding and overuse.

SSA FOOTBALL VARSITY

- **NOPSSCEA – 1st Runner Up**
- **Alaska Cup – 4th Runner Up**
- **Don Bosco Foundation Day Festival – Champion**
- **Copa Kulassa – inter color in-school tournament.**

Rizal Elementary School, Bacolod City

- **Forty (40)** plus boys and girls are attending the training sessions conducted
- Supported by Mrs. Mercedita Suravilla, Principal of Rizal Elementary School, Bacolod City. Assigned Teacher in Charge coaches – Mr. Mark Yap and Ms. Janel Villegas who have attended basic coaching courses.
- Assigned trainer – Coach Catalino Valderrama Jr
- Training session is conducted every Saturday p.m.
- Venue and facilities – the school has a junior size field but needs repair.
- Strengths: Strong support from school administration and parents.
- Weakness: facilities such as goals.
- Assistance Package: 20 balls, weekly training sessions.
- Progress: the program has helped the school organize teams in various age groups to participate in football tournaments and festivals. 75% of the participants are of basic skill level. Reinforcement of organization may lead to a sustainable program through an active support group.

Corazon Montelibano Elementary School, Barangay Villamonte, Bacolod City

- **Twenty five (25)** students participate in the program which is on its 2nd year.
- School Administrator is Mrs. Virgie F. Janiola with Mrs. Delila Florentino and Mrs. Gigie Garcia acting as teachers in charge
- Assigned Trainer - Mr. Catalino Valderrama Jr.
- training sessions are held after class hours in the afternoon
- Venue: the school gym and Herbias National High School field
- Strengths: Strong support from school administration and parents.
- Weakness: facilities such as goals.
- Assistance Package: 20 balls, weekly training sessions.
- Progress: the program has helped the school organize teams in various age groups to participate in football tournaments and festivals. All of the participants are of basic skill level. Reinforcement of organization may lead to a sustainable program through an active support group.

La Carlota City Outreach Development Football Program

- **Fifty Four (54)** participants of various age groups from 5 schools: **La Carlota City South Elementary Schools I and II, La Carlota North Elementary School, La Carlota City Sugar Central Elementary School, La Carlota City College Educational Training Center and Dona Hortencia Salas Benidecto National High School.**
- Assigned Trainer – Coach Reymando Baldava Sr assisted by local trainer Mr. Early Bird Mantilla.
- Training sessions are held every Saturday by Coach Reymando and weekdays by coach Early Bird.
- Venue: at the back of the national public high school (DHSBNHS)
- Strengths: Available facilities; large group interested in the sport.
- Weaknesses: coordination is difficult due to the high number of participating schools which are not in close proximity to one another and have conflicting schedules for school activities; Support from local government, schools and parents still have to be encouraged.
- Assistance Package: 40 balls, weekly training sessions
- Progress: The participants have been exposed to football prior to the program so that basic skills were observed in many of them already. Skills training can advance and tactical drills were given. Emphasis should be given to support group organization to sustain the program and ensure continuity of players in the sport.

Banago Elementary School, Barangay Banago, Bacolod City

- **Thirty (30)** boys and girls from Banago Elementary School,Barangay Banago, Bacolod City
- supported by Mrs. Normy E. Canja, School Principal and Miss Milagros Mayoga
- Trainer Assigned - Coach Catalino Valderrama Sr. assisted by junior football players from Domingo Lacson National High School alumni of the school.
- The training session is conducted every Saturday 2:00 pm
- Venue: The school campus gym and DLNHS football field.
- Strengths: Support from School Administration and parents.
- Weakness: Playing field and facilities such as goals.
- Assistance Package: 20 balls, weekly training session
- Progress: The program has helped the school organize teams in various age groups to participate in football tournaments and festivals. 80% of the participants are of basic skill level.
